

Be truthful and honest: Give people 2 nd chances	Generosity in everything	Love God and love other people as you love yourself	As each Christian has a physical body through Jesus they form one spiritual body where everyone belongs to each other
A friend loves at all times, and a brother is born for a time of adversity	Don't show partiality to the poor or favouritism to the great, but judge all fairly	Always aim at purifying your thoughts, and all will be well	Those who see all creatures in themselves, and themselves in all creatures will find true unity.
Do not harbour evil intentions in your mind towards others	Always speak the truth. God and truth are two and one	Whatever you say should be just, don't be biased	In dealing with people, treat them with good and kind manners
Caring for our fellow human beings is our highest calling	We don't believe in God, but we do believe in good		

KS2/3 sorting activity

What do different beliefs say about how we should live well with others with symbols?
